PLAN COVERAGE FOR NON-NETWORK PROVIDERS WITHIN A NETWORK AREA

The allowable covered expense for non-network services is based upon the Average Contract Rates (ACR) for network providers in the area where services are rendered. Members are fully responsible for any amount over the ACR as well as any applicable deductibles and coinsurance. With CIGNA medical management approval, hospital admissions resulting from an emergency may be exempt from ACR.

PRECERTIFICATION PENALTY

Pre-authorization is required on all inpatient admissions and outpatient surgery not performed in the doctors office. Network providers are contractually obligated to perform pre-authorization on behalf of their clients; the member must verify that a non-network provider performs the pre-authorization procedures. If a non-network provider does not get pre-treatment authorization or if a Member does not follow the recommended care plan, the first \$250 of charges will be considered ineligible.

CIGNA OPEN ACCESS PLUS COVERAGE

GENERAL NOTICE OF PREEXISTING CONDITION EXCLUSION

- This Plan may impose a Preexisting Condition Exclusion (PCE). This means that if you have a medical condition before coming to our Plan, you might have to wait a certain period of time before the Plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care or treatment was recommended or received within a three-month period. Generally, this three-month period ends the day before your coverage becomes effective. However, if you were in a waiting period for coverage, the three-month period ends on the day before the waiting period begins. The PCE does not apply to pregnancy or to a child who is enrolled in the Plan within 31 days after birth, adoption or placement for adoption.
- The Preexisting Condition Exclusion (PCE) is not applicable to anyone under age 19.
- This exclusion may last up to 12 months from your first day of coverage, or, if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior "creditable coverage." Most prior health coverage is creditable coverage and can be used to reduce the PCE if you have not experienced a break in coverage of at least 63 days. To reduce the 12-month exclusion period by your creditable coverage, you should give us a copy of any certificates of creditable coverage you have. If you do not have a certificate, but you do have prior health coverage, we will help you obtain one from your prior Plan or issuer. There are also other ways that you can show you have creditable coverage. Please contact us if you need help demonstrating creditable coverage.
- All questions about the PCE and creditable coverage should be directed to your HR/Benefits Director.

BASE REIMBURSEMENT METHOD

- Average Contracted Rate (ACR). The allowable covered expense for non-network services is based upon the average contracted rates for network providers in the area where services are rendered. Members are fully responsible for any amount over the ACR as well as any applicable deductibles and coinsurance. With CIGNA medical management approval, hospital admissions resulting from an emergency may be exempt from ACR.

SPECIAL ENROLLMENT RIGHTS NOTICE

- If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health Plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for the other coverage or if the employer stops contributing towards your or your dependents' other coverage. However, you must request enrollment within 31 days after your or your dependents' other coverage ends or after the employer stops contributing toward the other coverage.
- In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days of the marriage, birth, adoption or placement for adoption.
- To request special enrollment or obtain more information, contact your HR/Benefits Director.
