Dear Cotopaxi Parents,

As many of you may know, this week marks the start of the state assessments that our students will be taking. Various grade levels will be taking tests throughout the next three weeks. *Please remember that all cell phones and electronic devices are not allowed during testing.* Students are asked to leave them at home or give them to the testing proctor before they start their assessments. It is our goal that the students do their very best on the tests they take. Consequently, as an incentive for the students to give their best effort, there will be two days when they will be released early from school. On April 11 and April 18, the students will be released at 2:03.

If you bring your child to school, I ask that you are here to pick them up at 2:03. If your children ride the bus, the buses will be running at 2:10. I appreciate your patience and support as we all work together to help our students be successful.

Sincerely,
