

USDA Food Service Program

We have some exciting news from the Food Service Nutritional Department at Cotopaxi School! The USDA has extended the Summer Food Service Program and Cotopaxi School District has implemented the program. **Breakfast and lunch will be free for ALL Cotopaxi students starting on Wednesday, September 16, 2020, and will most likely continue through December 31, 2020.** We are excited to be a part of this program and help take a burden off of you!

If students are purchasing milk only, it will be a charge of \$.40.

If you have any questions, please contact Devin Gulliford at 719-942-4131 ext. 366.
